# INTRODUCTION

## Principal's Desk

Dear Vidya Vikash Community,

As we step into another exciting month at Vidya Vikash, I am delighted to extend warm greetings to our students, parents, faculty, and staff. It's with great pride that I share some highlights and important updates from our vibrant school community.

**INSPIRANZA:** I am thrilled to acknowledge the outstanding academic event i.e. INSPIRANZA a subject exhibition was conducted in the academic year 2023-24. The student's hard work, dedication, and enthusiasm for learning continued to inspire us all.

**VIKASH ANNUAL SPORTS MEET** was conducted this month. The students were engaged in spirited battles in various team sports. Basketball, football, volleyball – our athletes were prepared to dazzle you with their skills and strategic prowess.

A heartfelt thanks to our dedicated faculty and staff who work tirelessly to create a positive and nurturing learning environment.

As we look ahead, let us continue to strive for excellence in all that we do. Together, we can create an environment that empowers our students to reach new heights and make a positive impact on the world.

Thank you for your continued support.

## *The Innovations*

### ***Students from our Editorial Board share their experiences of VVCS Raigarh's Subject Exhibition-INSPIRANZA 2023***

Participating in the science exhibition was an exhilarating experience. I conducted various chemical reactions, showcasing the magic of science. Explaining the science behind each reaction sparked curiosity and made the experience truly memorable.

Through my participation in the science exhibition and conducting various chemical reactions, I gained valuable learning outcomes. I deepened my understanding of chemical processes, honed my presentation skills, and developed the ability to communicate complex scientific concepts to a diverse audience.

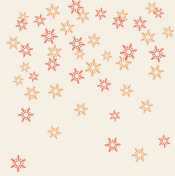

- By Ajeet Kumar, Class X

*"Witnessed the fusion of  
imagination and skill"*

Recently, on 4th Nov our school, VVCS organised a subject exhibition "Inspiranza". For all the students it was a fantastic experience, engaging in in-depth research for the exhibition enhanced our understanding of the subject matter, allowing us to grab concepts more thoroughly.

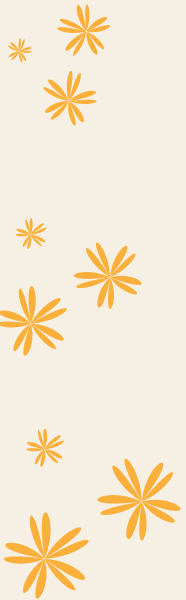

As I participated in Hindi Exhibition, I explored the fascinating world of Hindi Literature, discovering the beauty and depth that our poets bring to the language.

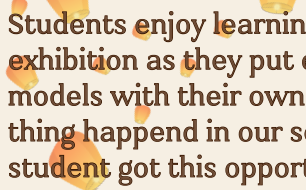

Collaborating with classmates, encouraging teamwork and interpersonal skills, as you work together to explore and present everything effectively were some of the things I learnt. Participating in this exhibition was a rewarding experience that not only deepened our understanding for various subjects but also allowed us to communicate our newfound knowledge to others.

It was fulfilling to witness the enthusiasm and creativity displayed by the students as they look into their chosen subject.

Hardwork of students, teachers and school served as the great result of this exhibition and it's positive feedback.

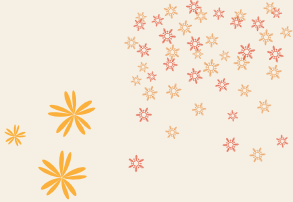

- By Siya Jaiswal, Class IX

Students enjoy learning through such an exhibition as they put effort and make models with their own hands. The same thing happened in our school. Every student got this opportunity to take part in their favourite subject. I took part in the Social Science Exhibition. To represent the model in a better way I spent my whole energy. The thing which I enjoy a lot is teamwork. We also got the chance to suggest our ideas. We had completed our model just in 5 to 6 days. As a conclusion, we enjoyed the exhibition a lot as compared to other activities.

- By Aarya Singh, Class VIII

I am Debapriya Mohapatra  
And I participated in the exhibition of Mathematics  
I experienced a lot of new things.  
Speaking in front of many people increased my confidence level, and I tried my best to make people understand the concept, and I had a lot of fun, I really enjoyed it so much.

- By Debapriya Mohapatra, Class VIII

*The Wise Way*

**4th November, 2023- Subject Exhibition: INSPIRANZA 2023**

## **Expanding Horizons and Embracing Creativity**

To inculcate a stance of creativity and innovation in students, we organized Subject Exhibition called INSPIRANZA 2023 combining inspiration with extravaganza. As the name goes, our students were inspired to an immense degree and thus created models and experiments under the guidance of their supportive teachers.

The Exhibition was divided into the following categories: NLU's Chipmunk's World, English subject's Gramma Genius, Hindi Subject's Hindvi ke Alaukik Drishya, Sanskrit Subject's Sanskrit Nilay, Mathematics Subject's MoM- Miracles of Maths, Science Subject's Newton's Quanta, Social Science Subject's WonderLand, Computer Subject's Techno Park, Library Subject's KNOWLEDGE Junction, Sangeet Darshan for Music and Dance, Arena for Sports, Class XI's Ideology. Thus, with everyone's efforts, we successfully completed our first Exhibition with positive feedback from our parents and visitors.

## 4th & 5th November, 2023 - Vikash Talent Junction Unleashing Artistic Prowess

As Vidya Vikash Concept School is a new school in Raigarh, it felt like a prerequisite for us to establish our name in the city. For this, we organized an event called- VIKASH TALENT JUNCTION. On 16th October, we organized a dance competition. On 17th October, a drawing competition was organised. And on 18th October, a quiz competition was conducted. We continued this program further and organized a fancy dress competition on 4th November and another dance competition on 5th November. This day was designed to allow all students to exhibit their special interest in dancing, drawing and some other areas. What makes this day special is not only the excitement it brings but the great experience to be lived. Talent showcases like these offer a unique platform to a child to exhibit their skills and express themselves. They also boost children's confidence and help them overcome stage fright.

## 9th & 10th November, 2023- Annual Athletic Sports Meet

### Champions keep playing until they get it right.

On 9th and 10th November, we organized our Annual Athletic Sports Meet. This event was held in two venues- VVCS School ground and Raigarh Stadium. Students from Class Nursery to Class XII participated in various competitions like Relay Race, Frog Race, Shotput Throw, Javelin Throw, Disc throw, 100 m race, 200 m race, 300 m race, 600 m race, volleyball, cricket, badminton, kho-kho, kabbadi etc and secured various prizes. Encouraging a culture of sports and health in our school is of prime importance for the holistic development of our students. Additionally, developing sportsmanship also leads to a significant change in the quality of life that one leads. Thus, when children are involved in sports, they are able to learn and put into practice values that will stay with them for the rest of their lives. Good sportsmanship is one of the life lessons that children can learn from sports.

*9th November, 2023- Diwali Celebrations*

**"Light the lamp of love; break the chains of sorrow."**

As we light our diyas and share our joy with others, we also light the path of knowledge and character development. To celebrate the festival of Diwali, students danced on the occasion alongwith being dressed for this festival of lights. Many students prepared beautiful diyas which lit up the stage. Students also burst firecrackers to seek the blessings and entail the festive spirit on this occasion. Overall, it was transformative experience for students.

## 10th November, 2023- Children's Day Celebration

### Celebrating the pure joy of childhood

Celebrated each year on November 14, Children's Day is a celebration dedicated to honouring and cherishing the well-being of children. To make this day special for our cherished students, our teachers dressed up as students and conducted the assembly- singing prayer songs, reading the news and other such activities. Teachers also performed a skit showcasing the student's mannerisms that created a laugh amongst the audience of surprised students. Teachers also performed dances both folk and pop which students really enjoyed a lot. Overall, the best way to make children good is to make them happy and so we did to celebrate this purposeful event.

## 18th November, 2023- Nrutyuday Festival 2023 Artistic Inspirations at play

The students of VVCS Raigarh participated in Nrutyuday Festival- A National Level Kathak Dance Competition in Ujjain. Our students secured the following prizes: Anushree Sharma of Class secured the second prize in the Kathak Solo- Sub-Junior Category. Aditi Sharma and Tammana Dash of Class VI secured the second prize in Kathak Duet- Junior Category. We heartily congratulate our students on their outstanding achievements. Along with these outstanding achievements, our Dance Teacher Mrs Soma Das was also honoured for her contribution to the field of Kathak working as a mentor to several students for more than a decade.

## Deep Thoughts

### Best Friend

*In the world full of snakes  
I have got a friend like you when the  
world will fall apart  
I know my support will be you.*

*If the lights go darker then  
my shine will be you,  
we will stay forever as we wished  
just like my shadow  
just like you*

## *The Ocean of Wisdom*

### बेटियाँ

जान से प्यारी होती है बेटियाँ  
ओस की बुंद की तरह होती है बेटियाँ  
माँ बाप की दुलारी होती है बेटियाँ  
जान से प्यारी होती है बेटियाँ  
माँ - बाप के दर्द में हमदर्द होती है बेटियाँ  
रोशन करेगा बेटा तो बस एक ही कुल को  
दो दो कुल की लाज होती है बेटियाँ  
हीरा है अगर बेटा तो सच्ची मोती है बेटियाँ  
काटों की राह पर चलती है बेटियाँ  
अगर कहे तो प्यारी अमानत है बेटियाँ  
लेकिन बेटो से भी अपनी होती है बेटियाँ
