INTRODUCTION

Namaste!

It was quite a celebratory month for us where we celebrated various festivals and honoured various cultures. This helped the students inculcate themselves in this aspect of a way of life which I wish they carry on to their future as they grow up and never miss any opportunity to celebrate life all together. For our hardworking students of senior secondary, it was a month full of various achievements and I congratulate them for the same and wish that they continue with their outstanding results. We conducted the Parents Teacher's Meeting this month as well where we extensively discussed the performance of our students and the required improvement in each student.

Additionally, the highlight this month was educational trips for students for which students seemed very excited and as expected they thoroughly enjoyed their respective trips. I hope they learnt the lessons of adventure and discovery from these trips. Conclusively, I also congratulate the students who participated in the CBSE Cluster Competition for their victories.

CONCEPT COLUMN

We all have experienced the importance of festivals in India. While growing up, we have learned the significance of festivals which have kept us grounded and rooted in our culture and religion. Festivals in India for children are not just the holidays to unpack the tight school schedule and a break from homework but an opportunity for parents to engage little ones in festival cooking, decorating, shopping, etc. Festivals of India for kids can shape their personality for life-long - their thought process, traits like humbleness, empathy, creative skills, etc., can be enhanced if they actively participate.

Preparatory students of VVCS Raigarh celebrated the festival of Dussehra by dressing up as various personalities like Lord Ram, Lord Hanuman, Devi Sita etc. They participated in recreating the story of Ramayana which was filmed beautifully by our teachers. Students enacted their parts with a lot of conviction Traditional festivals of India for kids represent some of the most critical opportunities for them to learn about their culture and enhance their understanding of the evolution of human beings and the world. From Holi to Diwali, the festivals of India for kids bring a fun-filled time in which they can be immersed in Indian culture and history. Through engaging activities, vibrant colors, and delicious food, they learn valuable lessons about shared values, community responsibility, and more.

As Vidya Vikash Concept School is a new school in Raigarh, it felt like a prerequisite for us to establish our name in the city. For this, we organized an event called- VIKASH TALENT JUNCTION. On 16th October, we organized a dance competition. On 17th October, a drawing competition was organised. On 18th October, This day was designed to allow all students to exhibit their special interest in dancing, drawing and some other areas.

Halloween Day Celebrations 31st October, 2023

The students of Preparatory Classes celebrated Halloween Day with a traditional costume party where they dressed up in gothic costumes and made scary gestures. They danced and enjoyed the day with a cake cutting ceremony. This made them familiar with a very popular festival in of the western countries like this one.

It was believed that on that day, the souls of the dead returned to their homes, so people dressed in costumes and lit bonfires to ward off spirits. This day marked the end of summer and the harvest and the beginning of the dark, cold winter, a time of year

Inner Peace

Well below your ego,

There is a place where they don't judge you.

Don't think what people do or say.

The place inside you is safe

The way is under your skin

There is stillness that surrounds you

That is you without a mess.

It's the soul!

That will never betray you untouched by mind,

Unaffected by boxes or any labels of brand.

If we find your peace, anytime or place.

No matter what happens,

You will have your own

comfort and space.

Class X

Empathy

Sun shines everyday
You glow everyday
But help the person
Who don't have food to eat

River flows everyday
Flower blooms everyday
Help those people
Who don't have
Home to live

माँ की दुनिया

माँ की दुनिया उसके बच्चों से शुरू और बच्चों पर खत्म हो जाती है। चोट मुझे लगती है दर्द उन्हें होता है व मार देती थप्पड़ व तो खुद भी रोती है। दरवाजे पर पहुंचते ही बस्ता हमारा थाम लेती। पापा की डांट से हमें कैसे भी बचा लेती। मेरे हर वक्त की भूख का अहसास उन्हें है होता, मै कितना खाऊंगी,यह पहले से ही जानती। मेरे हर निवाले की खुशियां दिखतीं, जब वह मुझे खिलातीं और मैं खा लेती, मेरे पेट भरने का सुकून उनके चेहरे पर होता। गुस्से में भी हों, हमे भूखा नहीं छोड़तीं। तुम एक खाओगे तो तुम्हें दो खिलातीं। अपने हिस्से की रोटी बचाना नहीं जानती। यह सोचकर आंखें मेरी पुरनम हो जाती। मेरे पास माँ नहीं है,मैं माँ कैसे पुकारु? माँ की दुनिया उसके बच्चों से शुरू और बच्चों पर खत्म हो जाती है।

क्या खोजते हो दुनिया में, जब सब कुछ तेरे अन्दर है। क्यों देखते हो औरों में, जब तेरा मन ही दर्पण है। दुनिया बस एक दौड़ नहीं, तू भी अश्व नहीं है धावक । रुक कर खुद से बातें करले, अन्तर मन को शान्त तो करले । सपनों की गहराई समझो, अपने अन्दर की अच्छाई समझो। स्वाध्याय की आदत डालो, जीवन को तुम खुलकर जीलो। आलस्य तुम्हारा दुश्मन है तो, पुरुशार्थ को अपना दोस्त बनालो । जीवन का ये रहस्य समझलो, और खुशीयों से तुम नाता जोड़ो।
