### **Our students share their experiences of SPECTRA 2023**

Our School's Annual Day "SPECTRA" was such an enjoyable blend of talent, creativity and joy. Spectra showcased a lot of talents- from impressive music to thrilling dramas. Spectra represented youngest of talents to seniors, celebrating our school's diversity.

We students participated in the dance which was based on the G20 summit which was at the start of the program. Not only this, we tried to show Bollywood trendy Songs Dance, it was a very interesting performance. We also participated in anchoring in which I invited our honourable Director of Academics Mr G. Ramakrishna Sir for delivering his speech. It was such a memorable and happening day for me, as I participated in many things. I also received award and certificate from IAS of our district Mr Kartikeya Goyal Sir. It was a very proud feeling for me and my parents.

Cheers and applause echoed by all attendees in response to the incredible display.

Dedicated efforts of all the students, teachers, volunteers led to a magnificent SPECTRA, leaving behind unforgettable memories. I really feel proud to be a student of VIDYA VIKASH CONCEPT SCHOOL RAIGARH.

Thank you so much.

It was a beautiful moment for me to experience Our School's Annual Day Celebration “Spectra 2023”. The participants came to the school early at 2:00 pm for the final practice and prepared themselves for the show. At 4:00 pm our show began, the seats maxed out and every person as an audience was eagerly waiting for the event to begin. The Function started with the inspirational and energetic words of our dignitaries & special guests. After their words, it was the time for prize distribution. There were many types of prizes for leadership, culture, science, sports, academics & many more. I got a prize too for being the best in Cultural Activities and was super happy. Afterwards Agni House (Yellow House) got the Best House of the year 2023 award. The Formal Activities ended up with the vote of thanks by our honorable Principal Sir. Then, the cultural show and the mesmerizing cultural activities began. From the little charms of Nursery to the Senior Students of Class 12th, everyone participated in the Activities. From the Purest Cultural Dances to the Rocking Beats of Hip-Hop, Old is Gold Hits of Kishore Daa & Meaningful Skits & Dramas, everything was there in the Function. I had also taken part in some of them like Anchoring and in the Kantara Dance and had so much fun to perform them. Some of the Dances & Skits taught us lessons about our surroundings. I enjoyed & learned many valuable things from the Function. The Function ended up giving thanks to every audience and special guests for cheering us to boost our confidence and for being with us from the beginning to the end. Most of the function became successful due to the co-ordination of the teachers & volunteers, so a small five minutes dance for them was also held and with this our Annual Function came to an End.

Namaste Everyone. I am Debapriya Mohapatra of Class 8th. Recently, we had our Grand Annual Function Spectra and I really enjoyed it, having a lot of fun with my friends. There were so many great and fabulous programs. My parents really enjoyed it, they especially appreciated the anchoring of students and how fluently they spoke. They really loved all of it. It was really an awesome event and a memorable day.

Participation in the annual day function aids in the development of social skills and emotional intelligence. Recently our school had organised the annual day. I was selected for anchoring. We had started our preparation from last twenty days for our annual day and as an anchor it was my responsibility to represent our school in better way. Annual function is considered as the biggest fest of the year for the students so we all had participated in it and invested all our energy to make it a grand success. The students showed their hidden talents and forgot all their fear. It included many types of dances, songs and dramas. There are many staffs member, teachers and students who contributed a lot without coming on stage. For organising this beautiful annual function we thank our Management, Principal sir, staff members and other members who contributed a lot both directly and indirectly.

I am Shreya and I had participated in Chhattisgarhiya dance in annual function. During that time we all enjoyed a lot. In the whole year, this is only the time when we got this opportunity to follow our passion for something. The annual function is a program that takes place in the school once in the year. We got this chance to showcase our culture of Chhattisgarh and other states as well. This is what makes us very happy.

## *Deep Thoughts*

### Realizations

As 2023 draws to a close , I've come face to face with a harsh reality . I've observed that those who are kind to me are usually kind to everyone else too. They pretend to be my acquaintance and I'm aware I am being treated the same way as others. When someone more appealing comes along, they simply vanish , leaving me to question my worth. It's funny to me how situations change so soon for some people and they seem like fickle characters to me somehow. It sometimes makes me wonder am I the issue or am I just scared to be alone or left behind, so I continue to play a part in their deceit, seeking a semblance of happiness. But real happiness for me is to know and accept the truth that people are not pillars, they are not constant. So I feel calmer, accepting this truth.

## Today!

Today is ours, let's live it.  
And love is strong, let's give it.  
A song can help, let's sing it.  
And peace is dear , let's bring it.  
The past is gone, don't rue it.  
Our work is here, let's do it.  
Our world is wrong, let's right it.  
The battle is hard, let's fight it.  
The road is rough, let's clear it.b  
The future is vast, don't fear it.  
Is faith asleep ? Let's wake it.  
Today is ours, Let's take it.

## Colorful Friends

In a garden bright with hues, Where flowers dance  
and sing the news, Little creatures, small and grand,  
Join together, hand in hand.

Red Ladybug with spots so neat, Tap-tap-tapping  
tiny feet. Buzzing Bee with stripes so yellow, Sipping  
nectar, a happy fellow.

Fluttering Butterfly, wings like art, Whispers secrets,  
plays its part. Green Grasshopper, a cheerful fiddle,  
Hops around, a joyful riddle.

Busy Ants in lines so straight, Carry crumbs, don't  
underestimate. Bluebird in the sky so high, Sings a  
tune, a lullaby.

In this world of colors true, Every friend has  
something to do. So, in the garden, big and small,  
Nature's news, a tale for all.
